Social Studies:

- Chinese New Year

Science:

- Space
- Shadows

Report Cards: Thanks for returning the signature form in your child's report card. This form should be returned inside the report card envelope.

Because of Winn Dixie- NOW SHOWING:

Winn Dixie will be showing at the Ballston Commons 12 in Ballston, starting Feb. 18. There are quite a few places that we could have lunch before the movie. I would like to plan another movie with all students on Sunday or Monday (no school). What day works best for you; please let me know. The movie is showing at 1:00 on both days. We would meet at the mall at 11:45. I will have another adult join, so again parents are welcome to leave their child with me. My gift of time to you!

100 Days of School: Kindergarten students should feel proud for accomplishing their first 100 days of school. This day will be celebrated on Tuesday as we rotate through all kindergarten classes doing a variety of activities. The students' 100-Day Projects are hanging in the room! Mrs. V and I were so proud and impressed with the efforts put forth. Students will share their projects on Tuesday.

MARS Books: We would like to hear about your child's successes or your concerns with the books coming home. Thanks for remembering to return them on Thursday.

Spring Conferences: March 3-4 is the official date for conferences. Many of you have already made your appointment; please check the classroom web page for the updated schedule.

Kindergarten Bulletin Board

2/16	Book Fair Night! (6:30 – 8:30)
