Science:

- Space

Report Cards: Please send the signature form inside the report card.

MARS Books: Thanks for keeping the books all week and return on Thursday.

Popcorn Words: Thanks for returning on Wednesday

Popcorn Word Spelling Challenge: Each week we will see how many popcorn words students can spell correctly. When you flash the words ask them to spell the word.

Parent Conferences: I am looking forward to meeting with you to discuss your child's successes. I will be sharing reading, writing and math progress, as well as social and emotional. If there is an area of particular concern please share in an email prior to the conference. This will make the best use of our time together.

Additional Supplies: Mrs. Begley will be providing the additional supplies needed for the classroom. Thank you to those parents who offered support.

Spring Conferences: March 3-4 is the official date for conferences. Many of you have already made your appointment; please check the classroom web page for the updated schedule.
