Spring Break: Relax and Recharge! We'll all enjoy this well deserved break and return to school ready to learn as much as we can! See you all back in the classroom on March 28, 2005.

Taste of Green: The Taste of Green was another wonderful event in Room 149. Thanks to those parents who joined for the event, and bravo to the brave students who tried everything. After trying all the delights, students decided which was their favorite food and which food they thought was the best for them.

Safe, Kind, and Fair: It's an absolute pleasure and honor to celebrate the students who are **Kind, Safe and Fair, ALL DAY**. Allowing every student to learn as much as they can is something to honor. Special lunch invitations for the next few Fridays will be extended to those students working hard, **everyday!!** A time to just sit and talk is long overdue.

Spring Planting –As we begin learning about the life of a seed and planting in the courtyard we are hoping to grow vegetables to be added to our summer end of the year soup.
