What Are Molecules Learning?

October 18 – 22

Math-

- Sorting Attributes by color, shape, size and color.
- Making a train of attributes with each "car" being one different than the pattern before.
- Counting to 100
- Day of the week
- 12 months
- Counting by 5's

Language

- Recognizing and practicing the letters Mm and Pp
- Rhyming words
- Words makes sentences
- Writing our name

Social Studies:

- Community Helpers: farmers, doctors, teachers, cooks.

Science:

- Five Senses: Touch, smell, taste, sight, and hear
- Recognizing colors and their names

Classroom Goals: As a class we brainstormed the following list as areas we would like to improve. Each day we will select one goal and try to achieve it!

- Keeping our hands to our selves while on the carpet.
- Put our materials away when we are finished, so our area is clean.
- Walk in the hallway with our voices off and hands to our side.
- Listen with our ears and our eyes to the person speaking.
- Raising our hand when we want to share so everyone has a voice.
- Help others be successful!
- Share all supplies in a kind way.
- Talk softly in the classroom so others can concentrate.
- Put quality in our work to make our parents and ourselves proud.

Kindergarten Bulletin Board

Check out the daily BLOG on our web page for a recap of our day in Kindergarten. Have conversations at home about the events happening in the classroom.

10/26 School Pictures
